Grandview Medical Center Hosts Lunch & Learn
“Atrial Fibrillation: From Diagnosis to Treatment”

Birmingham, AL (July 27, 2017) --- Grandview Medical Center will host a free lunch and learn on “Atrial Fibrillation: From Diagnosis to Treatment” with guest speaker Gustavo Morales, cardiologist.

Atrial fibrillation (AFib) is an irregular, often rapid, heart rate that commonly causes poor blood flow. During the luncheon, Dr. Morales will discuss how AFib affects the body and how it can be controlled.

The Lunch & Learn will take place on Friday, **August 18, 2017**, at Grandview Medical Center. Lunch will begin at 11:30 followed by the speaker at Noon. The program is free and open to the public.

Seating is limited and reservations are required. Please call 205-971-7474 to reserve your space.
