

Presentations:

1. Schwarz U, Galinkin J, **Rajendra A**, Davey M, Greeley W. "Anesthetic Blood Gas Partition Coefficient of Desflurane in Pregnant Sheep." Poster presented at American Society of Anesthesiologists national meeting; Orlando, FL (2002 October)
2. Shamblin C, **Rajendra A**. "A Case of Myelofibrosis Leading to Cardiac Tamponade." Poster presented at the American College of Physicians regional meeting; Hilton Head, SC (2008 October)
3. Coker J, **Rajendra A**, Swick J, Usher B, Merriam J. "Aspirin and Plavix Resistance." Poster presented at the American College of Physicians regional meeting; Hilton Head, SC (2008 October)
4. **Rajendra A**. "A Quick Recovery from Tachycardia-Induced Cardiomyopathy." Oral presentation presented at the American College of Physicians regional meeting; Hilton Head, SC (2008 October)
5. **Rajendra A**, Forcina M, Klein M, Quin EM, Sturdivant JL, Leman R, Wharton JM, Fernandes VL, Nielsen C, Spencer W, Gold M. "Electrophysiology Studies for Conduction System Disease Following Alcohol Septal Ablation." Poster presentation American College of Cardiology conference; Orlando, FL (2009 March)
6. Bernard M, Brabham W, Rowley C, Netzler P, **Rajendra A**, Sturdivant JL, Leman R, Gold MR, Wharton JM, Cuoco F. "Comparison of Atrial Fibrillation Ablation Bleeding and Thrombotic Complications with Rivaroxaban and Dabigatran." Poster presentation American College of Cardiology conference; San Francisco, CA (2013 March)
7. Netzler P, George A, Rowley C, **Rajendra A**, Leman R, Wharton JM, Cuoco F, Gold MR. "The Effect of Left Ventricular Sensing Electrode Position on Electrical Delay in Cardiac Resynchronization Therapy." Poster presentation American College of Cardiology conference; Washington D.C. (March 2014)

Publications:

Journal Articles:

1. **Rajendra A**, Spinella PC, Drott HR, Dominguez TE, Sutton L, Helfaer M. S-100beta protein--serum levels in children with brain neoplasms and its potential as a tumor marker. *J Neurooncol.* 2004 May; 67(3):345-9.
2. Spinella PC, Donoghue A, **Rajendra A**, Drott HR, Dominguez TE, Helfaer M. Cerebrospinal fluid levels of S-100beta in children and its elevation in pediatric meningitis. *Pediatr Crit Care Med.* 2004 Jan; 5(1):53-7.
3. Spinella PC, Dominguez TE, Drott HR, Huh J, McCormick L, **Rajendra A**, Argon J, McIntosh T, Helfaer M. S-100beta protein-serum levels in healthy children and its association with outcome in pediatric traumatic brain injury. *Crit Care Med.* 2003 Mar; 31(3):939-45.

Book Chapters:

1. **Rajendra, Anil**; Gold, Michael R. "Permanent Pacemakers and Antiarrhythmic Devices." Manual of Intensive Care Medicine. 6th edition. Wolters Kluwer Health. 2013
2. Merriam J, **Rajendra A**, Gold MR. "Newer Indications for ICD and CRT." *Cardiology Clinics.* In print.
